Last minute opportunity for winter break camp... Sign up **by Thurs Dec 17th** !!

FREE CODING CAMP !

WHO: Girls and Boys, 3rd, 4th and 5th grade
   Adult volunteers also needed. Parents can learn coding too!

WHEN: Dec 28 - Dec 31 (Mon - Thu)
   Morning: 9:00 - 12:30 **OR** Afternoon: 1:00 - 4:30

WHERE: Lake City Community Center, 12531 28th Ave NE

IMPORTANT: Space is limited. Max: 24 students.
   Enrollment is not guaranteed due to limited spots
   Parent/Guardian will be notified to confirm enrollment

COST: Free, FREE, Free
   Donations gladly accepted: to Olympic Hills Elementary PTA

Q: Will my daughter or son like it?
A: Yes! We remove the fear and break the stereotypes. Today's computers are a creative tool, more like a box of crayons than a calculator. Major math skills are no longer required. Persistence and creativity are the most important skills for coding today. With our support and encouragement, your kids can create amazing things.

Questions, Comments, Available to help help as adult volunteer?
